Minimum coursework requirements for MSc degree: You must read three courses which includes one graduate seminar course (CBC729 or CBC730), one supervised research course (MPS780 or MPS781) and one other lecture based graduate course (CBC7XX*) (Total : 12 AU)

Minimum coursework requirements for PhD degree: You must read at least four courses (Total : 16 AU) from amongst the following:

One CBC729 or CBC730 graduate seminar courses
Two CBC7XX* lecture courses
One other lecture (CBC7XX*), graduate seminar (CBC729 or CBC730) or supervised research (MPS780 or MPS781) course on the advice of the supervisor

*Note: These lecture courses can also be substituted by other graduate modules of interest offered by other Schools/Colleges in NTU after obtaining prior permission from the supervisor as well as the Division

Students can therefore choose one of the three options given below for fulfilling their coursework requirement:

1) One graduate seminar course + Three graduate lecture courses
2) Two graduate seminar courses + Two graduate lecture courses
3) One graduate seminar course + Two graduate lecture courses + One supervised research course
