A*STAR Graduate Scholarship

Eligibility criteria:

First Class Honours or Second Class (Upper Division) Honours or its equivalent

• All candidates are encouraged to apply with their GRE scores.

• Applications without GRE test scores will still be considered but successful applicants will have to satisfy the GRE requirement before embarking on their PhD studies.

• The average scores of successful awardees for the combined Verbal and Quantitative components for past batches were 1370 with a standard deviation of 100 with at least 4.5 for the Analytical Writing Components.
NTU-ParisTech PhD Joint Programme

Eligibility criteria: First Class Honours or Second Class (Upper Division) Honours

• completed your undergraduate degree programme yet, so you need to furnish documentation from NTU that you are on track to get a First Class Honours degree or equivalent.

• Recipients will receive support consistent with the existing Research Studentship Scheme (RSS). The Recipient, whilst at partner university, will receive additional stipend and airfare support.

• Two supervisors (at least one from NTU and one from partner university).

• Students interested in undertaking this programme must meet the academic entry requirements of both institutions

How to apply?

•  [http://wis.ntu.edu.sg/webexe/owa/pga$rsh_main_grass.menu](http://wis.ntu.edu.sg/webexe/owa/pga$rsh_main_grass.menu)

•  Find detail at the webpage:
   [http://admissions.ntu.edu.sg/graduate/coursework/Pages/default.aspx](http://admissions.ntu.edu.sg/graduate/coursework/Pages/default.aspx)
   [http://admissions.ntu.edu.sg/graduate/Pages/default.aspx](http://admissions.ntu.edu.sg/graduate/Pages/default.aspx)
